The licensee agrees to the conditions of use specified herein. After signing this agreement, (s)he will be provided with a personal password allowing to download the data and necessary labelling files. The licensee is allowed to use these data exclusively. Papers submitted that make use of this corpus further need to cite [1]:

[1] Björn W. Schuller, Anton Batliner, Christian Bergler, Eva-Maria Messner, Antonia Hamilton, Shahin Amiriparian, Alice Baird, Georgios Rizos, Maximilian Schmitt, Lukas Stappen, Harald Baumeister, Alexis Deighton MacIntyre, Simone Hantke: "The INTERSPEECH 2020 Computational Paralinguistics Challenge: Elderly Emotion, Breathing & Mask", Proceedings INTERSPEECH 2020, ISCA, Shanghai, China, 2020.

The corpus is handed over without guarantee. No legal claims of any kind can be derived from accepting and using the corpus. The rights belong to EIHW. EIHW is not liable for any damage resulting from receiving, installing, or using the corpus or any other files provided by EIHW in this context. Handing over the corpus or any other files which have been provided by EIHW containing information derived from it (labelling files, etc.) by the licensee to any third party may not be done without the expressed written consent of EIHW. Any models, derived from data containing the corpus may – just as the speech data themselves – only be used for scientific, non-commercial applications. This license is provided for participants in the INTERSPEECH ComParE 2020 Challenge. It expires after the paper deadline (camera ready version). For further use, a new license agreement has to be made.

I have read and understood this user agreement and will comply with it.
